

Since its foundation in 1993, OriKata has been guided by the motto "... the reliability of the method".

OriKata is a Trentino agency that operates within the events' sector, organising conventions, conferences, fairs and international events. Our creative and qualified staff take care of your needs, paying attention to every detail of the organising process, from planning to hostess services, from interpreting, entertainment and communication to graphic design of promotional materials.

More than 20 years of experience in the events' sector, the UNI EN ISO 9001:2008 quality certification and the national CME licences (recognised by the Italian Ministry of Health) have made OriKata the ideal partner to satisfy every planning need.

Our working method is characterized by a careful care of every aspect of the event. We aim to create a style designed with the respect of the objectives of the client.

OUR SERVICES

Conferences and meetings

The organization of a conference, a seminar or a workshop implies a mixture of resources, ideas and competences, every time different and coherent with the event itself.

Thanks to a long-year experience OriKata carefully manages every step of the planning, from the creation of the project to the definition of the financial resources needed, from the management of the conference secretariat to the set-up of the location.

Invited speakers, participants, sponsors and other people concerned are coordinated by OriKata according to an efficient method that enables the staff to develop a program coherent with the needs of the client.

Continuing Medical Education (CME)

We are the first CME provider in Trentino Alto Adige Region (n. 1108).

A CME Provider is a qualified agency that offers continuing medical education activities and develops educational content for the national and the local Healthcare systems.

OriKata aims to organize conferences and courses that healthcare professionals may use to satisfy annual CME requirements.

Thanks to our well-organized and efficient method, we deal with every aspect of the event, promoting the exchange of information and ideas on the science, practice and organization of medicine.

Business events

Inaugurations, incentive journeys, business ceremonies are only some of the events that companies organize to enhance their image, to create a cohesive team and to ensure clients loyalty. OriKata manages the several aspects of these events, creating programs coherent with the diverse situations and adequate to the company's style and objectives.

Design and fair exhibitions

Environments and settings could be transformed and adapted to your needs. A long-year experience is combined with the search for aesthetic quality and functionality.

OriKata supports you in the difficult design art phases of exhibitions and fairs. We will help you to find innovative solutions to fulfill your expectations and desires, from the creation of exhibition stands to single art details.

Hostess and steward

Among those who work for an event, a special role is played by hostess and stewards, those who work in touch with the public with passion and style.

In more than 20 years of experience, OriKata has worked with qualified and professional collaborators, ready to carefully manage and to kindly help every single moment of the event.

OUR CLIENTS

OriKata has collaborated with institutions, firms and associations from all over the world, coordinating meetings and events, always respecting the objectives and the image of the company, and offering to participants relaxing and engaging programs.

The organization of international events has demonstrated the quality and the engagement of OriKata. Bolzano, Brescia, Milan, Pavia, Caserta, Rome, Bologna, Florence, Munich, Stuttgart, Berlin, London, Vancouver (Canada) and Miyazaky (Japan) are only some of the locations where OriKata worked.

Among the clients of OriKata the University of Trento, the Hospital of the Province of Trento and other prestigious institutions, such as the Pezcoller Foundation and the National Research Council (CNR) of Florence, can be mentioned.
